## MINISTER'S NOTE TO WOMAN CAUSES ROW

FORMER MARYVILLE PASTOR INVOLVED IN CHURCH WRANGLE.

### TO ST. LOUIS LAST YEAR

Rev. C. Emerson Miller Was Pastor of First Christian Church Here Three Years.

The following article relating to the Rev. C. Emerson Miller, formerly pastor of the First Christian Church in this city, was taken from the St. Louis Post-Disptach of Friday, March 5. Mr. Miller left here in February, 1919, to take the pastorate of the St. Louis church:

A note written by the Rev. C. Emerson Miller, 45 years old and married, pastor of the First Christian Church, Delmar boulevard and Pendleton avenue, to a young woman who was formerly a member of the church and a singer in the choir, has caused the young woman's mother to make complaint to the official board of the church. As a result of the incident, several persons, including at least four members of the official board, have withdrawn either from membership or from active participation in the church's affairs.

The mother's complaint, which has been made to various members of the official board in the last three months, was presented to the board as a whole, at its monthly meeting last Tuesday night.

The note was not shown, having been destroyed in a family discussion which arose from it. Members of the board say the mother took exceptions to the note.

The young woman, when questioned by the board, said the note was only a plea that she should return to the church, she having ceased to attend after a quarrel with another member of the choir. The minister said that the young woman's versions of the matter was correct.

**Board Member Accused.**

In the discussion at the board meeting C. H. Brown of 4141 McPherson avenue, one of the board members, was accused by the minister of having been the author of derogatory reports about him. The minister also blamed members of Brown's family for the reports, and when he mentioned the family, Brown advanced toward him, declaring, "You can't drag my family into this." Others present restrained Brown from a physical encounter with the minister.

The pastor, in speaking to a Post-Dispatch reporter of the complaint against him, said it was "inspired by a group of certain cranks," and said there were 10 or 12 persons in the church whom he would be "glad to get rid of," as they were disrupting the church. He said he believed the attacks on him were inspired by friends of Mrs. T. R. Ayars of 5210 Washington boulevard, former president of the Mothers' and Babies' Home, who was dismissed as teacher of a Sunday school class several weeks ago, and who has left the church.

**Pastor Came from Maryville.**

Miller came here thirteen months ago from Maryville, Mo. He lives at 4432 Washington boulevard. His wife, who is older than he, has a daughter by a former marriage, and a grandchild, living in Kansas City.

At the board meeting Tuesday night, Walter H. Barnes, manager of the title department of the St. Louis County Trust Company, presided. John Smithers of 4368 Delmar boulevard announced that the young woman's mother wished to appear before the board, and she was admitted. She then told her story of the note. In the meantime, two members of the board had gone after the daughter, who, it was learned, was at a residence not far from the church.

The pastor spoke after the mother. He demanded that the note be produced, and made the reference to Brown and his family, which aroused Brown's indignation. Brown followed with a talk attacking the pastor, and the young woman was then heard.

**Moves for Resignation.**

Smithers than made a motion that the pastor's resignation be requested. There was no second to this motion, and Barnes, as chairman, declared that as no formal charges had been filed, and as the statement of the ministers and the young woman was plausible, the incident should be considered closed. As the official board of each congregation is the highest body in the church, the mother's complaint is not likely to go further.

About forty members of the church are said to have withdrawn, or to have become inactive, since the matter of the pastor's note first began to be talked about. Among them are Dr. J. D. Haywood, a member of the board, and Mrs. Hayward, who was church organist; Mrs. Ayars, Brown and Smithers and their families, Walter Holloway, a member of the board, and Mrs. W. E. Morgan of 5066 Minerva avenue.

## MEXICAN BANDITS SEEKING REVENGE

RAID PASSENGER TRAIN AND SLAY TWENTY-FIVE.

### HOLD AMERICAN PRISONER

Joseph Williams, Smelting Company Employe, Held Hostage—Set Fire to Cars.

El Paso, March 8.—Francisco Villa commanded the bandits who held up and robbed the north bound City of Mexico passenger train near Corralitos last Thursday, when thirty-five persons were killed and several held for ransom, including one American, according to passengers who reached Chihuahua City today.

According to passengers, the train was stopped by an explosive placed on the track, which derailed the locomotive. A pitched battle ensued between fifty Yaqui soldiers of the train guard and Villa followers numbering three hundred, commanded by Francisco Villa in person. Nineteen soldiers, four civilians and ten of the bandits were killed when the fighting ended with the retirement of a sub-lieutenant and six Yaquis, all of the train guard who remained unwounded.

Villa then herded the passengers to a nearby hill, threatening them with death. Apolinar Ruvalcaba, train conductor, and Jesus Garcia, Pullman conductor, were killed, the latter by a shot from Villa's pistol.

An American, Joseph Williams, an employee of the American Smelting and Refining Company, and M. Nassar, an Arabian passenger, were held for ransom, while another American, R. W. Black, was not detained.

After vainly attempting to break open the express car safe the bandits set fire to the train. Before leaving Villa harangued the passengers, telling them he was not a bandit, but that he was fighting for civil liberty and to avenge the death of Gen. Filipe Angeles. He said trains would not be permitted to run.

The passengers walked twenty-four kilometers north, where they were picked up by a train from Jimenez.

It is reported that a number of passengers hidden in the cars were burned to death when the train was destroyed, but this is not confirmed.

At the El Paso office of the American Smelting and Refining Company it was said that no report of the capture of Williams had been received.

Military officials in Juarez said they had no official report of the train hold-up, and explained the interruption of train service for the last two days as being due to shortage of equipment caused by northbound trains being caught behind bridges burned by rebels south of Chihuahua City.

## U. S. FLOUR WILL BE SOLD TO EUROPE ON CREDIT

Five Million Barrels Will Be Sold-Divided Among Several Countries.

Washington, March 8.—Five million barrels of federal grain corporation soft flour will be sold on credit in Europe soon unless congress authorizes $50,000,000 loans to finance the sales, Julius Barnes, head of the corporation, told the house rules committee yesterday. He said he now had authority to make the sales on credit, but hoped the loans would be authorized.

In connection with the flour stocks of the grain corporation, Mr. Barnes said that the advertising campaign to promote domestic sale of the soft wheat product had "failed," and that the stocks are "blocking" many American ports. With warm weather, it will deteriorate rapidly, he added.

The $50,000,000 appropriation for food relief, he continued, "would not put us in the market for a single barrel of flour," and the entire fund would be used for sale of the product. Legislation n such a form would encourage other countries to contribute to the relief fund, he said. Failing the appropriating measure, Mr. Barnes asked congressional indorsement on sales of credit, adding that he might have to act without such sanction.

Poland and Austria need each 200,000 tons of flour, Mr. Barnes said he had been advised. Other countries, including Armenia, Hungary and Czecho-Slovakia, need more than 75,000 tons, he said.

B. C. Hail, Andrew Fink and C. J. Duncan, all of Wilcox, were in Maryville on business today.

## ALLIED TROOPS CONCENTRATIN

ARMY OF 60,000 MOBILIZING NEA CONSTANTINOPLE.

### ASK FOR U.S. WAR SHIP

General Belief U. S. Will Not Comp With Request—Allies Mean Business.

London, March 8.—An allied army 60,000 is being concentrated near Co stantinople adjacent to Turkish ter tory, was learned this afternoon. Uni of the French fleet and various allie powers are collecting on the Sea of Ma mora with Constantinople lying with range of guns. The move is the resu of a unanimous agreement among th allies.

A request to the United States navy authorities for additional squadrons American war vessels in Turkish wate as a result of the Armenian massacre just lately reported may be made by th peace conference. It is general thought, however, that it cannot b brought about.

The allies have enough troops force a entry but the allied premie are believed to be convinced that th necessity will not arise. They are o the opinion, it appears, that when th Turkish government finally comes t the conclusion that the allies mean bus ness the situation will be considerab clarified.

Some reinforcements for the allie troops in Turkey arrived this week and more will follow. The weather conditions in Cilicia are unfavorable for the starting of a new military op eration, but the allies are agreed that it is absolutely necessary for th French to retrieve quickly and at an cost their rrecent losses in Cilicia, a the view in conference circles is tha the Turks undoubtedly think the al lies are tired of fighting and that their notes and warnings have litt backing.

As outlined, the plan is to show th sultan that this is not he case, n matter how distasteful further mil tary activities may be now to any o the allies.

Mr. and Mrs. Lee Carpenter went t Omaha Saturday for a few days' vis with Mrs. Ray Edwards.

## Most unusual are these New Georgette and Crepe-de-chine Blouses at $6.75

—They give no hint of the late excessive advances in the price of silk fabrics.

—Based on today's silk prices, they would have to sell for far more, and future Silk Blouse prices will inevitably by higher.

—So that the prudent thing to do is to buy now, not only for the present, but for your future needs as well.

—That you might know what to expect, let us say that silk fabrics are now selling in many instances at three times what they did less than a year ago.

—It's just because we contracted for these Blouses many months ago that the extremely moderate price at which they are being offered is possible.

No. 21 is of Georgette Crepe with front effectively trimmed with dainty lace and fine lateral tucks.

No. 25—Countless rows of very fine tucks and the liberal use of hemstitching appealingly trim this convertible collar model. Of Georgette Crepe.

No. 26 is of Crepe de Chine in a charmingly simple tailored style. A wide collar with frill and large pearl button for fastening.

No. 23—This Georgette model has finely plaited and tucked lace edged collar that forms a frilly jabot effect. All seams are hemstitched.

THERE ARE SEVERAL OTHER EQUALLY ATTRACTIVE MODELS—THE QUANTITY IS LIMITED AND NONE OF THE STYLES CAN BE DUPLICATED.

## How About Your Catarrh? Do You Want Real Relief?

**Then Throw Away Your Sprays and Other Makeshift Treatment.**

Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. Remove the cause of the clogged-up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to temporarily clear them away, they will promptly re-appear until their cause is removed.

S. S. S. is an antidote to the millions of tiny Catarrh germs with which your blood is infested. A thorough course of this remedy will cleanse and purify your blood, and remove the disease germs which cause Catarrh.

**DISAPPROVES OF RURAL SCHOOL CONSOLIDATION.**

The following article regarding consolidation of schools is published at the request of John T. Griffey, H. A. Lemon, J. D. Brennan and W. A. White, living northwest of Maryville. The article is taken from the Nebraska Farmer of recent date:

**Consolidated Schools.**

Consolidated rural schools do not meet the approval of B. F. Reed, Sr., of Webster county. "In my neighborhood there isn't a man who wants a consolidated school," he writes. "For a while there were two in favor of it but since they have learned how they work in other communities they also have become opposed to it. A year ago at the state county superintendent meeting educators were all for compulsory consolidation. At present it is only optional. There were no farmers present and they didn't ask any farmers whether they wanted it. Some of the superintendents opposed it on account of taxes and distances the children would have to go to school. Some even went so far as to say they would resign. But that made no difference to the educators, for they were going to have consolidation anyway. Even educators say it doubles the school tax.

"In our district we completed a roomy, modern school house a year ago for which we still are in debt. If we should have consolidation it simply would be thrown away. I know of a number of districts in the same situation. And if we should consolidate and build a school house now we would to vote bonds, and a school house which would have cost $20,000 a few years ago would cost us $40,000 today. I don't see any use in being in too great haste about it, for good things always will keep. It is only the shady and grafty transactions which need to be rushed thru. So I think we had better investigate the matter more before pushing it thru. As the law is now all we need to do is to let it alone. I wish all those who are opposed to or in favor of consolidation would let us hear their opinions on this subject. If it is a good thing we want it, but if it is bad we don't want it."—Nebraska Farmer.

## LET MICHIGAN REPUBLICANS ACT.

Testimony in the trial of those charged with corruption, fraud and conspiracy in connection with the election of Truman H. Newberry as United States Senator from Michigan is unfolding a story of political debauchery exceeding in flagrancy and boldness even that other historic instance of Republican criminality in Indiana, where votes were purchased "in blocks of five."

Decent Republicans, along with other at the revelations in the sworn testi- at the revelations inthe sworn testimony of witness, some of whom confess their part in the scandal. The disclosures contain a lesson for the people everywhere. If a great slush fund is to decide between candidates for public office, only rich and unscrupulous men will be successful.

Those who direct the affairs of the Republican party owe it to Michigan, to the nation and likewise to themselves to help in the exposure and condemnation of the criminals who committed this outrage on the ballot.

It is said that 90,000,000 broom handles are used annually in the United States.

## Women of Missouri Suffer Pains and Aches

Kirksville, Mo.—"Some years ago I had a severe nervous break-down, due to feminine weakness. I suffered with pains and aches continually. Was about as miserable as one could be, and just two bottles of Dr. Pierce's Favorite Prescription cured me of this ailment and I felt better than I had for a long time. I have since enjoyed good health. I can recommend 'Favorite Prescription' to women who suffer."—MRS. A. P. SCOTT, 1001 N. Franklin St.

### Run-Down, Nervous, Weak

Kansas City, Mo.—"I found Dr. Pierce's Favorite Prescription to be just what is claimed of it as a woman's medicine. During middle life I was all run-down, nervous and weak, could not eat nor sleep well; did not have a bit of strength, would be tired and worn-out all the time. I knew I must have medicine and finally decided to try 'Favorite Prescription' and it was just the thing I needed as it brought me through in a good strong healthy condition. I always recommend it to my friends, many of whom have taken it with just as good results."—MRS. ALBERT LEEDOM, 5002 Michigan Ave.

### Motherhood

St. Louis, Mo.—"After motherhood I developed woman's trouble. I suffered with inflammation and became very weak and thin. Suffered with backaches all the time and was a miserable nervous wreck when I was advised to try Dr. Pierce's medicine. I took two bottles of the 'Favorite Prescription' and used one box of 'Suppositories.' These medicines made me feel like a new person and my good health returned. 'Favorite Prescription' is an excellent medicine for women."—MRS. WM. GEORGE, 4120 Lee Place.

Dr. Pierce's Favorite Prescription can now be had in tablet form as well as liquid at most drug stores. Send to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for a ten-cent trial package of tablets.

*Most unusual are these New Georgette and Crepe-de-chine Blouses at $6.75*

—They give no hint of the late excessive advances in the price of silk fabrics.

—Based on today's silk prices, they would have to sell for far more, and future Silk Blouse prices will inevitably by higher.

—So that the prudent thing to do is to buy now, not only for the present, but for your future needs as well.

—That you might know what to expect, let us say that silk fabrics are now selling in many instances at three times what they did less than a year ago.

—It's just because we contracted for these Blouses many months ago that the extremely moderate price at which they are being offered is possible.

No. 21 is of Georgette Crepe with front effectively trimmed with dainty lace and fine lateral tucks.

No. 25—Countless rows of very fine tucks and the liberal use of hemstitching appealingly trim this convertible collar model. Of Georgette Crepe.

No. 26 is of Crepe de Chine in a charmingly simple tailored style. A wide collar with frill and large pearl button for fastening.

No. 23—This Georgette model has finely plaited and tucked lace edged collar that forms a frilly jabot effect. All seams are hemstitched.

THERE ARE SEVERAL OTHER EQUALLY ATTRACTIVE MODELS—THE QUANTITY IS LIMITED AND NONE OF THE STYLES CAN BE DUPLICATED.

Then Throw Away Your Sprays and Other Makeshift Treatment.

Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. **DISAPPROVES OF RURAL SCHOOL CONSOLIDATION.**

The following article regarding consolidation of schools is published at the request of John T. Griffey, H. A. Lemon, T. D. Brennan and W. A. White, living northwest of Maryville. The article is taken from the Nebraska Farmer of recent date:

**Consolidated Schools.**

Consolidated rural schools do not meet the approval of B. F. Reed, Sr., of Webster county. "In my neighborhood there isn't a man who wants a consolidated school," he writes. "For a while there were two in favor of it but since they have learned how they work in other communities they also have become opposed to it. A year ago at the state county superintendent meeting educators were all for compulsory consolidation. At present it is only optional. There were no farmers present and they didn't ask any farmers whether they wanted it. Some of the superintendents opposed it on account of taxes and distances the children would have to go to school. Some even went so far as to say they would resign. But that made no difference to the educators, for they were going to have consolidation anyway. Even educators say it doubles the school tax.

"In our district we completed a roomy, modern school house a year ago for which we still are in debt. If we should have consolidation it simply would be thrown away. I know of a number of districts in the same situation. And if we should consolidate and build a school house now we would to vote bonds, and a school house which would have cost $20,000 a few years ago would cost us $40,000 today. I don't see any use in being in too great haste about it, for good things always will keep. It is only the shady and grafty transactions which need to be rushed thru. So I think we had better investigate the matter more before pushing it thru. As the law is now all we need to do is to let it alone. I wish all those who are opposed to or in favor of consolidation would let us hear their opinions on this subject. If it is a good thing we want it, but if it is bad we don't want it."—Nebraska Farmer.

## EX-KAISER OWES FALL TO ILL-STARRED GEM

So Some Folks Believe in View of History of "Blaze of Glory."

An ill-starred diamond, which last shone as central gem in the crown of Prussia, is now credited with having been a factor in bringing about the ruin of the Hohenzollern dynasty. It is known as the "Blaze of Glory."

According to the tale about it, the diamond was given by King Solomon to the Queen of Sheba, having been plucked by him from his turban for her adornment. Curious carvings on two sides of it are supposed to be heraldic tokens of the two ancient lovers. Tales of the gem were carried into Persia, where they excited the greed of the nomadic King El-Hakim II., who robbed the Queen of Sheba's grave to secure it for himself. Within two weeks thereafter he was slain in his palace, and thereafter, through the centuries, rulers and princes who acquired the gem came to grief.

The margrave of Brandenburg, whose house started the Prussian dynasty, found the gem on a Jewish merchant in one of the margrave's raids into Silesia, and seized it, declaring that he would place it in the crown of a great kingdom he was to establish. The merchant was instantly slain when he ventured to remind the captor of the evil influence of the diamond. It seems to have been handed down the Prussian line until finally it reached the one time emperor now in retreat in Holland.

It is said that Herr Zunkelhorn, a learned antiquary, who had learned the fateful history of the gem and who in some way had forecast that ruin would come to its owner between the years 1918 and 1922, implored the young emperor to rid himself of it before his coronation, and that to this entreaty William replied:

"You must understand that I am crowned by the Spirit of God and the will of my people. The Hohenzollerns must endure forever. No curse of evil can harm our dynasty."

So he kept the gem in his crown, and tradition seems to have justified itself.

### Auto-Driven Grindstone Beheads Man.

Coupling his automobile with a grindstone to get quicker results, Jesse Steelman, a wealthy farmer of Scullville, N. J., started the engine and began to sharpen an ax. There was a crash, the grindstone broke into many pieces. One large section struck Steelman on the neck, beheading him.

### Moved 34 Times in 30 Years.

J. B. Henderson, now residing in Dalton, Ga., has moved his family 34 times during the past 30 years. It took six years for a letter mailed in 1914 to catch up with him.

The expression "goodby" is a contraction of "God be with you" and is similar to the French adieu, which is "a dieu" (I commend you to God). The phrase "goodby" is equivalent to farewell and would be better written goodbye, as it is a corruption of "God be with you" (b'w'ye).

Republican Congressmen are having a good time at the taxpayers' expense in junketing about the country in quest of Democratic "mistakes." It is a pleasant but not a very profitable activity. In making an effort the Democratic Administration doubtless made mistakes. If avoidance of error could be insured by evasion of duty, the present Republican policy would be a marvel of success.
